Good morning Chris!

I hope you enjoyed a lovely MLK holiday weekend!

Grant and I reviewed the LAPD conditions for TAO and compared them with CHNC conditions (negotiated with the LAPD when we both served on CHNC Board of Directors ☺). We included some of CHNC conditions that were left off of the LAPD list because they were community generated. I've attached both the LAPD conditions along with our redlined version.

Could we jump on a quick call this morning to discuss the edits and receive your approval to move forward? The TAO hearing is on Wednesday at 1 PM.

Thanks much!

All my best,

Laurie

Hi! Any word from LAPD? Amy will be attending the hearing since I am becoming sicker by the minute. Please let me know ASAP.

Thanks!

Sorry to hear that. Amie (she works for Grant/Richard) spoke with Officer Poole late this afternoon, but he says we need to talk directly to Zarcone. I emailed Zarcone when I got home, but haven't heard from him yet. I also asked Bill Farrar (Andrews International) to help me reach Zarcone. I'm hoping to have this resolved in the morning!

FEEL BETTER! Get some rest, too!

Hugs,

L

I'll call you ASAP. Have you seen my Bill Farrar email? Tell MOF I'm working with Bill on the conditions and that Andrews is providing security for all of G/R projects (Dream, Tao, Thompson) MOF is great friends with Bill & Andrews.

Just spoke with Bill. After reviewing the conditions, he says LAPD sent their standard **generic** conditions which were not specific for TAO. Bill says Capt. Zarcone loves TAO and is certain he will agree to the edits.

Nothing we can do tonight. Bill and I are calling Zarcone in the morning. Let's hope we can reach him. Bill suggests bringing a clean copy of the redlined version, the redlined version and the LAPD conditions to discuss with VICE if they attend.

Hugs,

Laurie
